

Stay Connected Worldwide with eSIM

What is eSIM?

An eSIM is simply a digital version of the physical SIM card that lets you connect to local networks abroad without switching physical cards. Keep your original SIM active for calls while using eSIM for data.

Why Choose Yesim?

- ✓ Worldwide coverage: Yesim covers 200+ destinations
- ✓ No Roaming Fees: save money on international data
- ✓ Fast Setup: activate anywhere with internet
- ✓ Secure Connection: better than public Wi-Fi
- ✓ 24/7 Support: Yesim support team is always ready to assist

How to Get Connected

- 1** Pick your data plan via Yesim website
Order an eSIM online according to your destination country
- 2** Install your eSIM
Follow the instructions on the confirmation email
- 3** Start browsing once activated
You are good to go!

Please note:

- Ensure your device is eSIM compatible before purchase.
- eSIM installation step requires a stable internet connection.
