Chase Horizons, Not Schedules

Launching in early 2027, Beachcomber sets sail on unforgettable 4- to 8-night journeys to St. Maarten, St. Thomas, San Juan, the Dominican Republic — and beyond. More than just a ship, Beachcomber is your gateway to longer escapes, bigger adventures, and deeper relaxation. On board, guests will find a blend of classic Margaritaville favorites and over 15 brand-new experiences created exclusively for this ship.

NEW EASTERN CARIBBEAN DESTINATIONS

ST. MAARTEN

Uniquely known as the island of two nations, St. Maarten will captivate you with its one-of-a-kind blend of European culture and Caribbean spirit.

ST. THOMAS

Prepare to be spoiled in St. Thomas, where designer shopping meets beach bliss. Swim with turtles, snorkel vibrant waters, and soak up stunning views.

SAN JUAN

San Juan blends Old World charm with vibrant Caribbean spirit. Salsa fills lively plazas, beaches invite adventure, and as piña colada's birthplace, it's rich in culture and sunshine.

DOMINICAN REPUBLIC

Lush rainforests, white-sand beaches, and rich cultural roots make the Dominican Republic one of the most vibrant stops on the map.

Greetings from PORTMIAMI

Our Newest Escape

SAILING EARLY 2027

Beachcomber Takes You There

At over 100,000 gross tons, Beachcomber is the largest ship in the Margaritaville at Sea fleet, built for longer escapes and island-minded adventurers. Beachcomber features more than 15 brand-new venues along with immersive experiences and extra room to roam.

For those who chase sunshine over schedules and rhythm over routines, Beachcomber offers endless chances to drift, dine, dance, and daydream. With refreshed staterooms, brand-new venues, and views worth writing home about, this is your invitation to set sail and let the stories find you.

Casting off from PortMiami, Beachcomber is ready to carry you to those little latitudes we all dream about. Now open for inaugural season bookings, our most immersive ship yet launches in early 2027 with unforgettable sailings to new Eastern Caribbean destinations — plus a few more ports you'll be bragging about soon.
